DR. J BOVEE DODS'

IMPERIAL WINE

BITTERS,

ARE made from a pure and unadulterated Wine, which is about double the usual strength of other Wines, and is imported by only one house in the United States. Also, from the following valuable Roots, Herbs, &c., viz: Solomon's Seal, Spikenard, Camomile Flowers, Gentian, Wild Cherry Tree Bark, and Bayberry.

WE CHALLENGE

THE WORLD

to produce

THEIR EQUAL!

We do not profess to have discovered some Roots "known only to the Indians of South America," and a cure for "all diseases which flesh is heir to," but we claim to present to the public a truly valuable preparation, which every intelligent Physician in the country will approve of and recommend. As a remedy for

INCIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, Diseases peculiar to Females, Debility, and all cases requiring a Tonic, they are

UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.
For the aged and infirm, or for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.
As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine without intoxicating; and are a valuable remedy for persons addicted to excessive use of strong drink, and wish to refrain from it. They are pure and entirely free from the poison contained in the adulterated Wines and Liquors with which the country is flooded.
These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.
Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

BITTERS,

ARE made from a pure and unadulterated Wine, which is about double the usual strength of other Wines, and is imported by only one house in the United States. THEIR EQUAL!

We do not profess to have discovered some Roots "known only to the Indians of South America," and a cure for "all diseases which flesh is heir to," but we claim to present to the public a truly valuable preparation, which every intelligent Physician in the country will approve of and recommend. As a remedy for

INCIPIENT CONSUMPTION,

Weak Lungs, Indigestion, Dyspepsia, Diseases of the Nervous System, Paralysis, Piles, Diseases peculiar to Females, Debility, and all cases requiring a Tonic, they are

UNSURPASSED!

For Sore Throat, so common among the Clergy, they are truly valuable.

For the aged and infirm, or for persons of a weak constitution—for Ministers of the Gospel, Lawyers, and all public speakers—for Book-Keepers, Tailors, Seamstresses, Students, Artists, and all persons leading a sedentary life, they will prove truly beneficial.

As a Beverage, they are wholesome, innocent, and delicious to the taste. They produce all the exhilarating effects of Brandy or Wine without intoxicating; and are a valuable remedy for persons addicted to excessive use of strong drink, and wish to refrain from it. They are pure and entirely free from the poison contained in the adulterated Wines and Liquors with which the country is flooded.

These Bitters not only CURE, but PREVENT Disease, and should be used by all who live in a country where the water is bad, or where Chills and Fevers are prevalent. Being entirely innocent and harmless, they may be given freely to Children and Infants with impunity.

Physicians, Clergymen and temperance advocates, as an act of humanity, should assist in spreading these truly valuable BITTERS over the land, and thereby essentially aid in banishing Drunkenness and Disease.

City of Janesville.

Wednesday Evening, Aug. 13, 1862.

Official Paper of the City.

Forever float that standard sheet!
Where breathes the foe but falls before us
With Freedom's soil beneath our feet,
And Freedom's banner streaming o'er us

Two Days More.

To-morrow, Thursday, must be an active day in enlistments, if our quota of men is raised. Let all who have been hesitating decide. The country never was more in need of the services of her sons than now. The crisis of the rebellion has been reached. The rebels have put forth their last efforts under their conscription law. They can never make another, as they have now all the men they can ever raise. Now is our time to crush the wicked rebellion, and we can do it. Every consideration prompts us to the effort. What is life or property with the ruin of our republican government and the destruction of the "old flag?" We desire to show to the government and the world that all the men needed for this war can be obtained by voluntary enlistments. This, if accomplished, will be a sublime spectacle of patriotism never before exhibited by any people. It will carry great moral power with it across the ocean to baffle our enemies there, and show them that the people are in earnest and that intervention in our affairs will not be safe for any of the one, two or three monarchies which propose it.

The most liberal bounties have been offered, which, if not now accepted, will be lost to all who wait for the draft. Therefore, *patriotism, honor* and *interest* all plead for enlistments NOW. Rock county has never called upon her sons in vain, and we trust and believe there will be no failure at this time. Remember there is only one day for enlistments. Now is the time to act.

Cheering News.

The news that the enemy are retreating before Gen. Pope, and that he is in pursuit is highly gratifying. It is said, also, that a highly important movement is about to be made on the peninsula. Stirring news may be expected soon.

Rumored Postponement of the Draft.

The statement that the draft will be postponed in the state of New York to the 1st of September, may be authentic, and it may not. It is not certain either that it will apply to this state. We would advise that no attention be paid to it here until we receive official notice from the governor of this state. Let enlistments go on as if no news of the kind had been received.

Reported Capture of Baton Rouge.

The accounts from Baton Rouge and the doings of the Arkansas are so contradictory that we shall await the confirmation of the news, before giving credit to the disasters reported to have taken place there.

Let us all Unite to Save the Country.

Some of the most patriotic men in the country, who have made great sacrifices in this war, have allowed their feelings of disappointment at the manner in which it has been conducted, to influence their action in this crisis. Their zeal has departed, and they, in some instances, hold back their means and their influence. Participating somewhat in this feeling ourselves, we may be allowed to say a word to this class. It is not the part of wise men to inquire, when ruin stares the nation in the face, who did it, or how it was done. If the imbeciles or incapables were in a boat by themselves, we might say, let it sink, and good riddance to so many fools; but the wise and the foolish, the brave and the cowardly, are all in one ship, and must sink or swim together. We must see, and we cannot but all agree that without more men on our side, *the Republic is lost.* The enemy, acting with vigor, have by their conscription, suddenly put an immense force into the field, while the government has permitted our armies to dwindle away. The call has been made to put 600,000 men in the field, and if the people refuse to respond, that is the end of the contest, it is decided against us, and the rebels succeed, not in dividing the Union, but in imposing their government on us. Now, is there *one* man, who, through the contemplation of what has passed, will supinely sit down, and do nothing, and let this terrible result be accomplished? We hope not.

Friends, let us forget, for the time, all the blunders and follies which have been committed, and unite in placing the government and the cause out of danger. When that is done, we will with one voice DEMAND a policy in this war. We can then say, we have given you all you have asked, now FIGHT, use what we have given you, and *all* the other means that a state of war places in your hands; give freedom to all loyal men who will join with us; freedom to the slave and death to traitors everywhere.

That is what we will demand, but now let us do the more pressing duty, that we may have a *government* to which our requirements may be directed—for without a host of men to put instantly into the field, the government itself will not exist at the end of sixty days.

DEATH OF LIEUT. COL. CRANE.—Late intelligence leaves no doubt of the death of Lieut. Col. Crane, of the 3d Wisconsin.

War Meeting.

There was a rousing and enthusiastic meeting at the court room last evening.

The committees appointed to canvass the different towns of the county for subscription to county scrip and volunteers, reported.

S. Holdridge, Jr. for Magnolia, reported subscription, $1085, that two men had volunteered on Monday, six on Tuesday, and ten more were ready to do so. Fifty-six had volunteered in the prior calls, that Magnolia had done this with only 205 voters

John R. Bennett, for Milton, reported a large meeting on Monday night. Subscription at the meeting $500, eight men enlisted on Monday, and one on Tuesday. Their quota of scrip and men pledged.

O. J. Dearborn, for Turtle. Large and enthusiastic meeting at Turtleville, Monday evening. Scrip taken $1150, at meeting. Mr. Sidney Wright had gone into south part of town and had got $400 for scrip in addition. Several men volunteered and others were ready to enlist. Wanted a muster roll. Mr. Scott had gone there last evening. Willing to take their quota of scrip.

F. S. Eldred for Johnstown; meeting at church in the old town; house full; scrip taken, $1050. Three men pledged $5 each, to the first fifteen men who would enlist from the town. The assessor found the number of men who are subject to draft—200. A voluntary draft was talked of, if volunteers could not be obtained. A committee appointed for each school district to see every man subject to draft and report to the meeting to be held Wednesday evening. That the town would furnish her number of men and money.

Hamilton Richardson for Harmony; $1,975 in scrip taken; $400 promised. The town wideawake and would do her share in furnishing men and money.

Wm. A. Lawrence for Lima; that the town had done her work and had done it well, and introduced Mr. Vincent to make a further report.

Mr. Vincent stated—there was very large and enthusiastic meeting on Saturday night and a committee was appointed to confer with other towns for concert in action.—That Monday another large meeting was held. Subscription at the meeting $1045 which had been increased since to $1575. Ten volunteers came forward. Messrs L. H. Child and Edward Vincent were appointed a committee to get subscriptions to county scrip and raise volunteers. Mr. Child pledged $500 more to the scrip if needed.

There was no conditions made in their pledges to take scrip. Mr. Lawrence also reported that they marched to the place of meeting to the music of the fife and drum, and that the ladies attended in large numbers.

C. G. Williams for the city of Beloit, reported that the city was all alive with the war feeling. It was war, war, and nothing else. Every one was a committee of one to take and solicit subscriptions to the scrip and to get volunteers. In one part of town their brass band was marching and in another part was the music of the drum and fife. Murray's large hall was packed to overflowing with men women and children on Monday night, and muster rolls and scrip taking were the order of the meeting, that they have two or three companies forming. Seventy-eight men have enlisted. The subscriptions on Monday evening were $5500.

For the town of Beloit he reported that at the close of the meeting in the city some fifteen or twenty men from the town who were there got together and subscribed $500, that they appointed a committee to canvass the town for scrip and volunteers and that they would raise without difficulty $1000 and their quota of men.

W. Robinson, for town of Janesville. Several meetings in town. General willingness expressed to raise their amount of money if a draft could be avoided. Col. Burdick stated that from want of notice there was no concert of action, but that the town would promptly respond to her quota of men and money; that their town was the smallest in the county—some 2000 acres were held by outside speculators, and that consequently her ability was not equal to that of other towns, but she would do her whole duty. Their town clerk had enlisted, and thirteen others.

K. W. Bemis, for Plymouth. Fifteen hundred dollars subscribed to scrip—their proportion—and would furnish her quota of men.

George Sherman, for La Prairie, reported. Meeting held at house of Hollis Holley, Monday evening; $1160 subscribed towards scrip. Resolutions adopted approving action of county board, and to raise their quota of men. The following persons were appointed to canvass the town: T. W. Vangalder, Wm. H. Reed, Samuel Miller, H. P. Fales, A. Sherman, L. Finch, L. L. Tracy, and Edwin W. Burnham.

Cyrus Miner for Avon; $200 towards scrip subscribed and would raise $100 more; would also send 10 or 15 volunteers.

A. C. Ressigue, for Clinton. Large meeting Monday evening; well attended by the ladies. Strong resolutions passed approving the action of the county board of supervisors. Pledged to take their share of scrip. $1000 subscribed and the balance of share promised. Town meeting called for Thursday to vote $50 to every volunteer from the town. Will furnish her quota of men. Had already raised twelve volunteers.

E. C. Smith for Spring Valley. Meeting called for Tuesday evening. A report would be made Wednesday. It was thought that $1000 would be raised for the scrip.—He thought that the town had already raised more than her quota of men on the former calls, but that there are more men who will enlist.

Mr. Dearborn reported further as to the meeting at Turtleville; that a large number of ladies attended; that several of the young ladies teaching district schools, pledged five dollars each towards the scrip.

H. S. Conger reported that he attended a large meeting at Footville Monday evening, composed of the citizens of Plymouth and Center. A committee of eight for each town, to canvass for scrip and volunteers, was appointed.

H. N. Comstock, for Bradford. A large meeting at Emerald Grove; $925 subscribed towards county scrip; a committee appointed to canvas the town; her quota of men and money pledged.

At this stage of the proceedings, it was announced that a telegram had been received from Washington that Stonewall Jackson had skedaddled, and that General Pope was on his heels. Three roof-lifting cheers were given for the news, three for Pope, three for Banks, and three for the Wisconsin 3d regiment. No crowd of people ever did feel better.

The president stated that the Rev. Mr. Curtis and A. Hyatt Smith attended a meeting at Afton, in the town of Rock; that there was a large attendance, and that the people were willing to do their share in raising men and money.

Dr. R. B. Treat, for 1st Ward, city of Janesville reported $3245 subscribed to the scrip. S. C. Burnham, for 2d Ward $1910, E. McKey, for 3d Ward, $1730. No report of committee for 4th Ward. Some $500 was subscribed by citizens of that ward on Saturday evening.

Mr. Clark, one of the canvassing committee for Milton, reported that Milton had already furnished 100 men for the war, that some of the rich farmers in his canvassing district did not come forward very readily to take the scrip. That some farmers worth from $10,000 to $15,000 after very *mature deliberation* had subscribed without *any condition* to take $10 of the scrip.

Hamilton Richardson was added to the canvassing committee in the 4th Ward.

S. Holdredge, Jr., was excused as committee for Magnolia and Alexander Graham substituted in his place.

Mr. Dann, for town of Centre, reported a committee of eight had been appointed in that town to canvass it, $1810 subscribed for scrip and would furnish eighteen volunteers, think they can make up sub. to $2000.

Rev. R. F. Parshall was associated with David Inman as committee for Rock.

Capt. Miles on part of Fulton, the committee not having reported, stated that he had seen the assessor of that town and that he told him that $2000 could be readily obtained in that town towards the scrip.

J. M. Haselton was appointed to canvass the town of Fulton for scrip and volunteers.

On motion of H. W. Collins, it was voted that the subscribers to the county scrip be requested to pay their subscriptions to the county treasurer on the 16th day of August, or as soon thereafter as possible.

Capt. Miles, of the *Janesville Blues*, reported his company at 71, and five more promised; thought he would be able to fill his company by to-night.

On motion of Judge Tompkins, it was voted that 1000 handbills for a war meeting Friday, August 15th, be distributed through the county, the bills to contain the number of the quota of men each town is to furnish, and that a committee of three, with Charles Holt as chairman, be appointed to carry out the object of the motion. S. L. James and Wm. A. Lawrence were appointed.

James M. Burgess was associated with Mr. Ressegnie as committee for town of Clinton.

The town committees, appointed at the meeting of Saturday and last evening, were directed to distribute the bills for the war meeting.

G. F. Moseley excused from the committee to Newark, and Willard Merrill substituted.

A committee of arrangements for the war meeting of Friday was ordered, and James M. Burgess, John R. Bennett, Hamilton Richardson, Isaac Rogers, and J. B. Doe appointed as that committee.

The meeting adjourned to Thursday evening, to hear the further reports of the canvassing committees.

The following is a recapitulation of the scrip taken:

The 4th ward of the City of Janesville is not reported in full. The following towns are not reported: Union, Rock, Newark, Spring Valley, Janesville, Fulton, and Porter.

The president was authorized to appoint further committees for Porter and Union, if necessary.

O. J. DEARBORN, Pres.
AMOS P. PRICHARD, Secretary.

Brigadier General Israel B. Richardson, of Michigan, who is reported dismissed from the army, was famous in army circles as "Fighting Dick." He was regarded absolutely insensible to fear, but did not rank high as Division General. He was not a Major General, as reported by telegraph, but a Brigadier in command of the first division in Sumner's corps. It was he who fought and repelled the enemy at Fair Oaks on the first of June, afterone of the severest battles of the war.—Shortly afterwards he wrote a letter severely criticising Gen. Casey's management of his division in the defeat of the previous day, which appeared in a Boston newspaper. It excited bitter comment among regular army officers as contrary to regulations and "unbecoming an officer and a gentleman." It was then supposed that he would be court-martialed, and officers of high rank did not scruple to assert that he ought to be dismissed. We suppose that was one of the charges against him. Charges of insubordination were also current in camp. The letter of Casey appeared to have been written to the editor of the paper in which it was published, but it was afterwards alleged that it was a private letter which was indiscreetly communicated to the paper. General Richardson was a graduate of West Point, and distinguished himself by gallantry in Mexico.—*Cincinnati Commercial, Aug., 7th.*

Last Night's Report.

HEADQUARTERS ARMY OF VIRGINIA,
Cedar Mountain, Aug. 12.

To Major General Halleck: The enemy has retreated, under cover of the night. His rear guard is now crossing the Rapidan towards Orange Court House. Our cavalry and artillery are in pursuit.

Signed, JOHN POPE, Maj. Gen.

CAIRO, Aug. 12.

Rebel authority reports that Breckinridge attacked Baton Rouge Tuesday night, and was repulsed with heavy loss. Gen. Clark, of Mississippi, and Col. Thomas, of a Kentucky regiment, were killed. The repulse was laid to raw Arkansas troops.

LOUISVILLE, Aug. 12.

John Morgan, with 1800 cavalry and four pieces of artillery, entered Galeatin, Tenn., early this morning, and captured Colonel Boone, commanding the post, with about 300 men of the 28th Kentucky, and a federal freight train containing 60 horses, and a lot of oats and corn. There was no fighting.

WASHINGTON, Aug. 12.

The rebels were three times reinforced during the late battle, by *fresh regiments* and brigades.

When our troops retired, they were too crippled to pursue on open ground.

The prisoners also report that the heavy guns used by the enemy were of recent English manufacture, with the English fixed ammunition.

We lost one gun, which we left behind in a ditch spiked, several horses having been killed. The gun was not lost while changing position in the night, but under the fire of the enemy's sharp shooters.

The casualties of the regiments have not yet been learned definitely.

Stragglers from the battle field to town have been arrested by order of Gen. Pope.

By to-morrow a list of missing will be obtained.

Capt. George Tatnall, of General Prince's staff, was shot in the breast, and mortally wounded.

On Sunday night about 11 o'clock, Generals Pope and Banks were in conference at the rear of our advanced batteries, and a body of cavalry charged in a most daring manner through the woods on our front, upon the group. The discharge of musketry and the whizzing of balls, gave them timely notice of the approach of the enemy. They speedily mounted their horses, and a regiment of infantry fired a volley while approaching the rebels, checking the charge and probably saving both commanders.

Buford, with his cavalry command, arrived at Culpepper yesterday from Madison. Previous to his departure he made a reconnoissance to the Rapidan, where he found a force of the enemy on the south side, but none on the north side of the river.

A telegraphic dispatch, dated to-day, states that all was quiet last night and this morning.

Wise and Allen, two well known police officers of this city, were arrested last night by General Wadsworth, on a charge of kidnapping.

KANSAS CITY, Mo., Aug. 12.

A battle took place at Independence yesterday morning about three o'clock, between the federal forces, numbering 350 men, under Lt. Col. Buel, and from 500 to 600 guerrillas, under the notorious Colonel Hughes, assisted by Quantrell and Hayes, resulting in a complete rout and surrender of our troops. The loss on either side is unknown. It appears the town was surprised about three o'clock a. m. A simultaneous movement was made upon the camp, Buel's headquarters, and the provost marshal's office, which were some distance apart. The provost marshal's office was entered by citizens professing loyalty. The arms were taken and used against the federal troops. The fighting lasted about four hours. The troops, almost without officers, hotly contested the ground, sheltering themselves behind trees, fences, stables, &c. Capt. Thomas, of the militia, was taken prisoner almost at the onset.

At one time it is reported the guerrillas were about giving up the ground and retiring before the destructive fire of our men, and accordingly had Capt. Thomas brought out of the house where he was confined and immediately shot dead. At this juncture a white flag appeared at Col. Buell's headquarters, when the guerrillas returned and took possession of all who remained. Lieut. Harrington and fifty men who cut their way through the enemy, made good their escape. Most of the prisoners were paroled by taking the oath not to take up arms. All who were present agree in stating that there were no mounted pickets stationed outside of the town that night. A large quantity of arms, 205 rounds of ammunition, besides other government stores fell into the hands of the enemy.

On receipt of the news of the surrender of Independence here, this city was thrown into a great state of excitement. All business houses, saloons, &c., were closed, The militia was called out, and guards promptly placed around the city. A call was made for reinforcements from Fort Leavenworth, which was promptly responded to by Lieut. Col. Burris, who arrived yesterday at four o'clock p. m., with four companies of infantry, three of cavalry, and two pieces of artillery; also Major Ransom, commanding the 6th Kansas cavalry, arrived in due time from the south-east. The entire force, under command of Col. Burris, left this morning at three o'clock in pursuit of the enemy.

CAIRO, Aug. 12.

From the Memphis Bulletin of the 10th I get the following news:

On Wednesday the 6th inst., the rebel ram Arkansas came on a reconoitering expedition up the river as far as Islands 67 and 68, within 50 miles of Helena.

A few days since the Louisville accompanied by transports White Cloud and Iatan, started with the 3d Wisconsin from Helena to go up White River. After entering the mouth of that river, the Louisville ran aground, and the expedition was abandoned because of the insufficiency of the water. It returned to Helena just in time to miss the Arkansas. Had it been a few hours later, a collision must have taken place.

The Bulletin prints a report that Gen. Breckenridge had attacked and captured Baton Rouge last Wednesday. It is considered not improbable.

To-Day's Report.

MORNING DISPATCHES.

NEW YORK, Aug. 13.

The Times Washington dispatch says it is considered certain that highly important army movements are either in progress or completed, but it is not regarded as proper yet to indicate their nature. Much more cheerful impressions are prevailing concerning Gen. Pope's engagement. Jackson's retreat is known here to have been a necessity. He had evidently become aware of the trap into which he was being beguiled, and retreated to escape the danger which the execution of our plans threatened. His eye was on Fredericksburg as well as Culpepper. The better opinion here is, that all is going well with Pope's army, and that there is no reason for the apprehension expressed yesterday and to-day. Well informed persons freely declare that Pope will be in Gordonsville by Saturday at furtherest, though perhaps not without fighting, which may be going on now.

Tribune's correspondence states, when the rebels fell back, yesterday, in their retreat, it is asserted by our men recently escaped, that the rebels divided, part of the force taking the road to Stonardsville, and the other portion taking the other side of the mountain towards Gordonsville.

The following is the first correct copy of the official list of the wounded in the late battle, as they arrived in Alexandria. Among them are Amos W. Ruttledge, 3d Wis., L. T. Whitcomb, do.

The Fredericksburg correspondent of the Tribune states that an expedition from Burnside's division, on Wednesday last, made a descent on the Va. C. R. R. at Frederick's Hall station, took up 80 lengths of rail, cut the telegraph, burning the wire and poles, and blew up the road bed with powder. A large lot of new T rails, which were piled at one side of the track, were made into a barricade across the road bed, and watched and burned by kindling large fires under and about them. Companies G, Capt. Gwinter, H, Capt. McIrwin, and E, Lt. Loudon, commanding, went down to the station and destroyed the water tanks, telegraph wire and 5000 bushels of grain, and a large lot of whiskey and other army stores which were awaiting transportation to the enemy at Gordonsville. This force was in command of the brave and dashing Lt. Col. Kilpatrick, who commanded in the recent brilliant raid to Beaver Dam.

Adjt. Benjamin Gregory, with a party, was sent down to near Bump's turnout to blow up the track and switch, which was accomplished in the most thorough and satisfactory manner. At this point the water tanks and depot were burned, the track was destroyed, and a small culvert was blown up with powder. A little further on, the track was barricaded with new T rails, rendered useless by burning, as were those above Fredericks' Hall. Hearing that the cars were expected up with troops from Richmond, the expedition commenced its return march. The large bridge over the Pamunky was burnt to prevent the enemy from following up.

WHEELING, Aug. 12.

The greatest meeting of the war in western Virginnia, was held in the spacious freight depot of the Baltimore and Ohio R. R. in this city to-night. The building, which is estimated to hold comfortably, 50,000 persons, was filled to suffocation, and crowds thronged the streets. Gov. Pierpont presided over the vast concourse, and in eloquent terms introduced Hon. John Sherman, Hon. John A. Bingham of Ohio, and Hon. W. T. Willey, senator from this state. Among distinguished strangers present, was Gen. Kelley.

The large depot was brilliantly illuminated and hung with flags and mottoes. One most prominent of which was "No Valandighamism, No Carlisleism, but union and liberty forever." Another was "Once all means to conciliate, now all means to crush." One of the resolutions denounced John S. Carlisle as a traitor to his constituents and called upon him to resign his position in the senate which he had disgraced. The war spirit in Western Virginia is fully aroused, and her quota is already made up. Gen. Kelly was called out by acclamation, and made a few eloquent and effective remarks. At the close of the meeting Gen. Kelly was unanimously requested to change the name of Camp Carlisle to Camp Willey.

AFTERNOON DISPATCHES.

CULPEPPER C. H. VA., Aug. 12.

The flight of Stonewall Jackson shows that he fears our troops. On Saturday he engaged with his whole force, numbering at least 30,000 men, a portion of the troops of Gen. Banks, who behaved most nobly, holding the enemy in check until the arrival of Gen. McDowell's and Sigel's divisions, late in the day, driving the enemy from several positions, and finally from the field of battle. Jackson's army remained idle next day, the troops on both sides being exhausted.

On Monday Jackson sent in a flag of truce asking to bury his dead, a large proportion of which still lie on the field, pending which he escaped with his trains. This morning Jackson's whole army was gone. Gen. Buford, with his cavalry and artillery, started in pursuit towards Gordonsville, compelling Jackson to burn bridges to save himself. Jackson obviously did not intend to stop running until he reaches the rebel fortifications at Richmond.

NEW YORK, August 13.

Flour quiet and unchanged. Wheat active, and fully 1c higher.

BOSTON, Aug. 13.

The instructions of Gov. Andrews to the city and town assessors throughout the state of Massachusetts are to make it their duty to include the colored citizens as well as the white ones in the rolls as subject to draft.

WASHINGTON, Aug. 13.

To-day Secretary Seward recommended to his department that they furnish as many soldiers for the war as there are persons therein fit for duty below the age of 45. Of the entire number, fifteen are capable. The clerks promptly responded.

MEMPHIS, Aug. 10.

The Bulletin of this morning has advices from reliable sources which represent that Gen. Breckinridge attacked Baton Rouge Tuesday last, and was repulsed, losing, among the killed, Gen. Clark, of Mississippi, and Col. Hunt, of Kentucky. Breckinridge attributes his defeat to non-arrival of ram Arkansas, and make a simultaneous attack on the federal fleet with his land attack. The Arkansas arrived in the evening and immediately assailed our fleet, destroyed two vessels, severely damaged two others, and drove the balance away. Breckinridge renewed the attack from the land side, and is said to have captured the entire federal force at Baton Rouge.

It is also stated that a large portion of Van Dorn's command is co-operating with Breckinridge for an immediate attack on New Orleans. It is currently reported and credited at Helena that the rebels have completed the alterations to the Star of the West, which was up Yazoo river, to a ram boat, and that she is now at Vicksburg. She is called the Richmond, is clad with railroad iron, and mounts 22 guns. One of the ocean tugs up the same river is also completed, and came out at the same time.

The New Orleans Bulletin of the 30th announces the arrival of the flag ship Hartford and frigates Richmond and Brooklyn from Vicksburg.

IMPORTANT ANNOUNCEMENT.

Drafting Postponed till the First of September.

ALBANY, August 12.

The Evening Journal has the following in relation to the draft:

"The war department, in answer to an inquiry from the Governor, telegraphs that the department will receive volunteers for old regiments till the draft is made. The draft cannot be made before the first of September, as the preliminary work, the new enrollment, the decision upon applications for exemption, &c., will occupy at least twenty days. We are, therefore, authorized unofficially that volunteers by companies will be received for old regiments until the first of September. The order to this effect will probably be issued to-morrow. The communication from the war department embodying this permission says it is designed to receive volunteers to fill up the old regiments, and any excess after they are filled will be credited to the state as so much on the draft, and if enough volunteer to fill up the old regiments, that might perhaps dispense with the draft. To fill up the old regiments to their full maximum number will require at least 54,000. If this number should volunteer in the state before the draft is made, there would be no draft. If enlistments should continue for thirty days as they have for the last ten, this could be done; but it can be done in many localities in the twenty days which will intervene before the draft is made. If it is, those localities will escape the draft. Under this arrangement our young men will be stimulated to prosecute the work of recruiting. Any three men who can raise a company can receive commissions if they are competent to fill the positions they assume; and those localities which desire to escape the odium of a draft, have only to voluntarily fill up this quota of the 600,000 men called for before the first of September to accomplish what they desire.

REMARKABLE.—Two rather singular cases of remarkable escape from living burial are related as having occurred subsequent to the battle of Fair Oaks. The body of a colonel was found on the field and brought in. Arrangements were made for embalming it. The process includes the use of galvanism. The shock was given. To the astonishment of all, the colonel rose and walked forth. The other case was that of a colonel who was found on the field. In deference to his rank he was brought to the hospital and laid among the dead. His friends prepared to give him a decent burial, and were about to carry the body out, when the colonel rolled over, and in tones more like those of a man drunk than dead, called out—"Ben, John, where is my whisky flask?"

Chicago Market.

TUESDAY, August 12—3 P. M.

There is no important change to notice in financial affairs. The money market is better supplied with currency, and the banks take all the reliable business paper offered. Rates of discount range from 7a10 per cent per annum. Exchange is in limited demand, buying at par and selling at ⅛a¼ per cent premium. Gold is dull and drooping; the banks and brokers are buying at 11 and selling at 12a13 per cent premium. Legal Tender Notes are in good supply at ½a¾ buying and 1¼a¾ per cent selling. Old Demand Notes are scarce and firm at 1.05 buying.

The leading markets to-day were very firm, but not quite so active, except corn, which was in good demand. The wheat market was less active, the demand by shippers being light. Prices, however, were firm at 1 03 for No. 1 red; 98c for No. 2 do; 95c for No. 1 spring; 90a90½ for No. 2 do, and 50c for rejected spring. Flour was firm but quiet at yesterday's quotations. There was an active inquiry for corn by shippers, and the market advanced ½c per bushel. About 100,000 bushels sold at 37c for White river afloat; 36c for choice mixed afloat; 33a34c for mixed in store, and 27a28c for rejected in store.

Oats were firm and in good demand at 29a30c. Rye quiet, with small sales at 49c. Barley inactive. Highwines were inactive—buyers and sellers being ½a1c apart in their views; the former offered 27a27½c, and the latter asked 28c. Mess pork and lard were firm. Tallow quiet. Live stock dull at yesterday's prices.

Lake freights were active at yesterday's decline. About fourteen vessels were chartered, at 7c for corn to Buffalo, 12c for wheat, and 11a11½c for corn to Oswego.

Wednesday Evening, Aug. 13, 1862.

Official Paper of the City.

Forever float that standard sheet!
Where breathes the foe but falls before us
With Freedom's soil beneath our feet,
And Freedom's banner streaming o'er us

Two Days More.

To-morrow, Thursday, must be an active day in enlistments, if our quota of men is raised. Let all who have been hesitating decide. The country never was more in need of the services of her sons than now. The crisis of the rebellion has been reached. The rebels have put forth their last efforts under their conscription law. They can never make another, as they have now all the men they can ever raise. Now is our time to crush the wicked rebellion, and we can do it. Every consideration prompts us to the effort. What is life or property with the ruin of our republican government and the destruction of the "old flag?" We desire to show to the government and the world that all the men needed for this war can be obtained by voluntary enlistments. This, if accomplished, will be a sublime spectacle of patriotism never before exhibited by any people. It will carry great moral power with it across the ocean to baffle our enemies there, and show them that the people are in earnest and that intervention in our affairs will not be safe for any of the one, two or three monarchies which propose it.

The most liberal bounties have been offered, which, if not now accepted, will be lost to all who wait for the draft. Therefore, patriotism, honor and interest all plead for enlistments NOW. Rock county has never called upon her sons in vain, and we trust and believe there will be no failure at this time. Remember there is only one day for enlistments. Now is the time to act.

Cheering News.

The news that the enemy are retreating before Gen. Pope, and that he is in pursuit is highly gratifying. It is said, also, that a highly important movement is about to be made on the peninsula. Stirring news may be expected soon.

Rumored Postponement of the Draft.

The statement that the draft will be postponed in the state of New York to the 1st of September, may be authentic, and it may not. It is not certain either that it will apply to this state. We would advise that no attention be paid to it here until we receive official notice from the governor of this state. Let enlistments go on as if no news of the kind had been received.

Reported Capture of Baton Rouge.

The accounts from Baton Rouge and the doings of the Arkansas are so contradictory that we shall await the confirmation of the news, before giving credit to the disasters reported to have taken place there.

Let us all Unite to Save the Country.

Some of the most patriotic men in the country, who have made great sacrifices in this war, have allowed their feelings of disappointment at the manner in which it has been conducted, to influence their action in this crisis. Their zeal has departed, and they, in some instances, hold back their means and their influence. Participating somewhat in this feeling ourselves, we may be allowed to say a word to this class. It is not the part of wise men to inquire, when ruin stares the nation in the face, who did it, or how it was done. If the imbeciles or incapables were in a boat by themselves, we might say, let it sink, and good riddance to so many fools; but the wise and the foolish, the brave and the cowardly, are all in one ship, and must sink or swim together. We must see, and we cannot but all agree that without more men on our side, *the Republic is lost*. The enemy, acting with vigor, have by their conscription, suddenly put an immense force into the field, while the government has permitted our armies to dwindle away. The call has been made to put 600,000 men in the field, and if the people refuse to respond, that is the end of the contest, it is decided against us, and the rebels succeed, not in dividing the Union, but in imposing their government on us. Now, is there *one* man, who, through the contemplation of what has passed, will supinely sit down, and do nothing, and let this terrible result be accomplished? We hope not.

Friends, let us forget, for the time, all the blunders and follies which have been committed, and unite in placing the government and the cause out of danger. When that is done, we will with one voice DEMAND a policy in this war. We can then say, we have given you all you have asked, now FIGHT, use what we have given you, and *all* the other means that a state of war places in your hands; give freedom to all loyal men who will join with us; freedom to the slave and death to traitors everywhere.

That is what we will demand, but now let us do the more pressing duty, that we may have a government to which our requirements may be directed—for without a host of men to put instantly into the field, the government itself will not exist at the end of sixty days.

DEATH OF LIEUT. COL. CRANE.—Late intelligence leave no doubt of the death of Lieut. Col. Crane, of the 3d Wisconsin.

War Meeting.

There was a rousing and enthusiastic meeting at the court room last evening.

The committees appointed to canvass the different towns of the county for subscription to county scrip and volunteers, reported.

S. Holdridge, Jr. for Magnolia, reported subscription, $1085, that two men had volunteered on Monday, six on Tuesday, and ten more were ready to do so. Fifty-six had volunteered in the prior calls, that Magnolia had done this with only 205 voters

John R. Bennett, for Milton, reported a large meeting on Monday night. Subscription at the meeting $500, eight men enlisted on Monday, and one on Tuesday. Their quota of scrip and men pledged.

O. J. Dearborn, for Turtle. Large and enthusiastic meeting at Turtleville, Monday evening. Scrip taken $1150, at meeting. Mr. Sidney Wright had gone into south part of town and had got $400 for scrip in addition. Several men volunteered and others were ready to enlist. Wanted a muster roll. Mr. Scott had gone there last evening. Willing to take their quota of scrip.

F. S. Eldred for Johnstown; meeting at church in the old town; house full; scrip taken, $1050. Three man pledged $5 each, to the first fifteen men who would enlist from the town. The assessor found the number of men who are subject to draft—200. A voluntary draft was talked of, if volunteers could not be obtained. A committee appointed for each school district to see every man subject to draft and report to the meeting to be held Wednesday evening. That the town would furnish her number of men and money.

Hamilton Richardson for Harmony; $1,975 in scrip taken; $400 promised. The town wideawake and would do her share in furnishing men and money.

Wm. A. Lawrence for Lima; that the town had done her work and had done it well, and introduced Mr. Vincent to make a further report.

Mr. Vincent stated—there was very large and enthusiastic meeting on Saturday night and a committee was appointed to confer with other towns for concert in action.—That Monday another large meeting was held. Subscription at the meeting $1045 which had been increased since to $1575. Ten volunteers came forward. Messrs L. H. Child and Edward Vincent were appointed a committee to get subscriptions to county scrip and raise volunteers. Mr. Child pledged $500 more to the scrip if needed.

There was no conditions made in their pledges to take scrip. Mr. Lawrence also reported that they marched to the place of meeting to the music of the fife and drum, and that the ladies attended in large numbers.

C. G. Williams for the city of Beloit, reported that the city was all alive with the war feeling. It was war, war, and nothing else. Every one was a committee of one to take and solicit subscriptions to the scrip and to get volunteers. In one part of town their brass band was marching and in another part was the music of the drum and fife. Murray's large hall was packed to overflowing with men women and children on Monday night, and muster rolls and scrip taking were the order of the meeting, that they have two or three companies forming. Seventy-eight men have enlisted. The subscriptions on Monday evening were $5500.

For the town of Beloit he reported that at the close of the meeting in the city some fifteen or twenty men from the town who were there got together and subscribed $500, that they appointed a committee to canvass the town for scrip and volunteers and that they would raise without difficulty $1000 and their quota of men.

W. Robinson, for town of Janesville. Several meetings in town. General willingness expressed to raise their amount of money if a draft could be avoided. Col. Burdick stated that from want of notice there was no concert of action, but that the town would promptly respond to her quota of men and money; that their town was the smallest in the county—some 2000 acres were held by outside speculators, and that consequently her ability was not equal to that of other towns, but she would do her whole duty. Their town clerk had enlisted, and thirteen others.

K. W. Bemis, for Plymouth. Fifteen hundred dollars subscribed to scrip—their proportion—and would furnish her quota of men.

George Sherman, for La Prairie, reported. Meeting held at house of Hollis Holley, Monday evening; $1460 subscribed towards scrip. Resolutions adopted approving action of county board, and to raise their quota of men. The following persons were appointed to canvass the town: T. W. Vangalder, Wm. H. Reed, Samuel Miller, H. P. Fales, A. Sherman, L. Finch, L. L. Tracy, and Edwin W. Burnham.

Cyrus Miner for Avon; $200 towards scrip subscribed and would raise $400 more; would also send 10 or 15 volunteers.

A. C. Ressigue, for Clinton. Large meeting Monday evening; well attended by the ladies. Strong resolutions passed approving the action of the county board of supervisors. Pledged to take their share of scrip. $1000 subscribed and the balance of share promised. Town meeting called for Thursday to vote $50 to every volunteer from the town. Will furnish her quota of men. Had already raised twelve volunteers.

E. C. Smith for Spring Valley. Meeting called for Tuesday evening. A report would be made Wednesday. It was thought that $1000 would be raised for the scrip.—He thought that the town had already raised more than her quota of men on the former calls, but that there are more men who will enlist.

Mr. Dearborn reported further as to the meeting at Turtleville; that a large number of ladies attended; that several of the young ladies teaching district schools, pledged five dollars each towards the scrip.

H. S. Conger reported that he attended a large meeting at Footville Monday evening, composed of the citizens of Plymouth and Center. A committee of eight for each town, to canvass for scrip and volunteers, was appointed.

H. N. Comstock, for Bradford. A large meeting at Emerald Grove; $925 subscribed towards county scrip; a committee appointed to canvas the town; her quota of men and money pledged.

At this stage of the proceedings, it was announced that a telegram had been received from Washington that Stonewall Jackson had skedaddled, and that General Pope was on his heels. Three roof-lifting cheers were given for the news, three for Pope, three for Banks, and three for the Wisconsin 3d regiment. No crowd of people ever did feel better.

The president stated that the Rev. Mr. Curtis and A. Hyatt Smith attended a meeting at Afton, in the town of Rock; that there was a large attendance, and that the people were willing to do their share in raising men and money.

Dr. R. B. Treat, for 1st Ward, city of Janesville reported $3245 subscribed to the scrip. S. C. Burnham, for 2d Ward $1910, E. McKey, for 3d Ward, $1730. No report of committee for 4th Ward. Some $500 was subscribed by citizens of that ward on Saturday evening.

Mr. Clark, one of the canvassing committee for Milton, reported that Milton had already furnished 100 men for the war, that some of the rich farmers in his canvassing district did not come forward very readily to take the scrip. That some farmers worth from $10,000 to $15,000 after very *mature deliberation* had subscribed without *any condition* to take $10 of the scrip.

Hamilton Richardson was added to the canvassing committee in the 4th Ward.

S. Holdredge, Jr., was excused as committee for Magnolia and Alexander Graham substituted in his place.

Mr. Dann, for town of Centre, reported a committee of eight had been appointed in that town to canvass it, $1810 subscribed for scrip and would furnish eighteen volunteers, think they can make up sub. to $2000.

Rev. R. F. Parshall was associated with David Inman as committee for Rock.

Capt. Miles on part of Fulton, the committee not having reported, stated that he had seen the assessor of that town and that he told him that $2000 could be readily obtained in that town towards the scrip.

J. M. Haselton was appointed to canvass the town of Fulton for scrip and volunteers.

On motion of H. W. Collins, it was voted that the subscribers to the county scrip be requested to pay their subscriptions to the county treasurer on the 16th day of August, or as soon thereafter as possible.

Capt. Miles, of the Janesville Blues, reported his company at 71, and five more promised; thought he would be able to fill his company by to-night.

On motion of Judge Tompkins, it was voted that 1000 handbills for a war meeting Friday, August 15th, be distributed through the county, the bills to contain the number of the quota of men each town is to furnish, and that a committee of three, with Charles Holt as chairman, be appointed to carry out the object of the motion. S. L. James and Wm. A. Lawrence were appointed.

James M. Burgess was associated with Mr. Ressegule as committee for town of Clinton.

The town committees, appointed at the meeting of Saturday and last evening, were directed to distribute the bills for the war meeting.

G. F. Moseley excused from the committee to Newark, and Willard Merrill substituted.

A committee of arrangements for the war meeting of Friday was ordered, and James M. Burgess, John R. Bennett, Hamilton Richardson, Isaac Rogers, and J. B. Doe appointed as that committee.

The meeting adjourned to Thursday evening, to hear the further reports of the canvassing committees.

The 4th ward of the City of Janesville is not reported in full. The following towns are not reported: Union, Rock, Newark, Spring Valley, Janesville, Fulton, and Porter.

The president was authorized to appoint further committees for Porter and Union, if necessary. O. J. DEARBORN, Pres.
AMOS P. PRICHARD, Secretary.

Brigadier General Israel B. Richardson, of Michigan, who is reported dismissed from the army, was famous in army circles as "Fighting Dick." He was regarded absolutely insensible to fear, but did not rank high as Division General. He was not a Major General, as reported by telegraph, but a Brigadier in command of the first division in Sumner's corps. It was he who fought and repelled the enemy at Fair Oaks on the first of June, after one of the severest battles of the war.—Shortly afterwards he wrote a letter severely criticising Gen. Casey's management of his division in the defeat of the previous day, which appeared in a Boston newspaper. It excited bitter comment among regular army officers as contrary to regulations and "unbecoming an officer and a gentleman." It was then supposed that he would be court-martialed, and officers of high rank did not scruple to assert that he ought to be dismissed. We suppose that was one of the charges against him. Charges of insubordination were also current in camp. The letter of Casey appeared to have been written to the editor of the paper in which it was published, but it was afterwards alleged that it was a private letter which was indiscreetly communicated to the paper. General Richardson was a graduate of West Point, and distinguished himself by gallantry in Mexico.—*Cincinnati Commercial, Aug., 7th.*

Last Night's Report.

HEADQUARTERS ARMY OF VIRGINIA, Cedar Mountain, Aug. 12.

To Major General Halleck: The enemy has retreated, under cover of the night. His rear guard is now crossing the Rapidan towards Orange Court House. Our cavalry and artillery are in pursuit.

Signed, JOHN POPE, Maj. Gen.

CAIRO, Aug. 12.

Rebel authority reports that Breckinridge attacked Baton Rouge Tuesday night, and was repulsed with heavy loss. Gen. Clark, of Mississippi, and Col. Thomas, of a Kentucky regiment, were killed. The repulse was laid to raw Arkansas troops.

LOUISVILLE, Aug. 12.

John Morgan, with 1800 cavalry and four pieces of artillery, entered Galeatin, Tenn., early this morning, and captured Colonel Boone, commanding the post, with about 300 men of the 28th Kentucky, and a federal freight train containing 60 horses, and a lot of oats and corn. There was no fighting.

WASHINGTON, Aug. 12.

The rebels were three times reinforced during the late battle, by fresh regiments and brigades.

When our troops retired, they were too crippled to pursue on open ground.

The prisoners also report that the heavy guns used by the enemy were of recent English manufacture, with the English fixed ammunition.

We lost one gun, which we left behind in a ditch spiked, several horses having been killed. The gun was not lost while changing position in the night, but under the fire of the enemy's sharp shooters.

The casualties of the regiments have not yet been learned definitely.

Stragglers from the battle field to town have been arrested by order of Gen. Pope.

By to-morrow a list of missing will be obtained.

Capt. George Tatnall, of General Prince's staff, was shot in the breast, and mortally wounded.

On Sunday night about 11 o'clock, Generals Pope and Banks were in conference at the rear of our advanced batteries, and a body of cavalry charged in a most daring manner through the woods on our front, upon the group. The discharge of musketry and the whizzing of balls, gave them timely notice of the approach of the enemy. They speedily mounted their horses, and a regiment of infantry fired a volley while approaching the rebels, checking the charge and probably saving both commanders.

Buford, with his cavalry command, arrived at Culpepper yesterday from Madison. Previous to his departure he made a reconnoissance to the Rapidan, where he found a force of the enemy on the south side, but none on the north side of the river.

A telegraphic dispatch, dated to-day, states that all was quiet last night and this morning.

Wise and Allen, two well known police officers of this city, were arrested last night by General Wadsworth, on a charge of kidnapping.

KANSAS CITY, Mo., Aug. 12.

A battle took place at Independence yesterday morning about three o'clock, between the federal forces, numbering 350 men, under Lt. Col. Buel, and from 500 to 600 guerrillas, under the notorious Colonel Hughes, assisted by Quantrell and Hayes, resulting in a complete rout and surrender of our troops. The loss on either side is unknown. It appears the town was surprised about three o'clock a. m. A simultaneous movement was made upon the camp, Buel's headquarters, and the provost marshal's office, which were some distance apart. The provost marshal's office was entered by citizens professing loyalty. The arms were taken and used against the federal troops. The fighting lasted about four hours. The troops, almost without officers, hotly contested the ground, sheltering themselves behind trees, fences, stables, &c. Capt. Thomas, of the militia, was taken prisoner almost at the onset.

At one time it is reported the guerrillas were about giving up the ground and retiring before the destructive fire of our men, and accordingly had Capt. Thomas brought out of the house where he was confined and immediately shot dead. At this juncture a white flag appeared at Col. Buell's headquarters, when the guerrillas returned and took possession of all who remained. Lieut. Harrington and fifty men who cut their way through the enemy, made good their escape. Most of the prisoners were paroled by taking the oath not to take up arms. All who were present agree in stating that there were no mounted pickets stationed outside of the town that night. A large quantity of arms, 205 rounds of ammunition, besides other goverument stores fell into the hands of the enemy.

On receipt of the news of the surrender of Independence here, this city was thrown into a great state of excitement. All business houses, saloons, &c., were closed. The militia was called out, and guards promptly placed around the city. A call was made for reinforcements from Fort Leavenworth, which was promptly responded to by Lieut. Col. Burris, who arrived yesterday at four o'clock p. m., with four companies of infantry, three of cavalry, and two pieces of artillery; also Major Ransom, commanding the 6th Kansas cavalry, arrived in due time from the south-east. The entire force, under command of Col. Burris, left this morning at three o'clock in pursuit of the enemy.

CAIRO, Aug. 12.

From the Memphis Bulletin of the 10th I get the following news:

On Wednesday the 6th inst., the rebel ram Arkansas came on a reconoitering expedition up the river as far as Islands 67 and 68, within 50 miles of Helena.

A few days since the Louisville accompanied by transports White Cloud and Iatan, started with the 3d Wisconsin from Helena to go up White River. After entering the mouth of that river, the Louisville ran aground, and the expedition was abandoned because of the insufficiency of the water. It returned to Helena just in time to miss the Arkansas. Had it been a few hours later, a collision must have taken place.

The Bulletin prints a report that Gen. Breckenridge had attacked and captured Baton Rouge last Wednesday. It is considered not improbable.

To-Day's Report.

MORNING DISPATCHES.

NEW YORK, Aug. 13.

The Times Washington dispatch says it is considered certain that highly important army movements are either in progress or completed, but it is not regarded as proper yet to indicate their nature. Much more cheerful impressions are prevailing concerning Gen. Pope's engagement. Jackson's retreat is known here to have been a necessity. He had evidently become aware of the trap into which he was being beguiled, and retreated to escape the danger which the execution of our plans threatened. His eye was on Fredericksburg as well as Culpepper. The better opinion here is, that all is going well with Pope's army, and that there is no reason for the apprehension expressed yesterday and to-day. Well informed persons freely declare that Pope will be in Gordonsville by Saturday at furtherest, though perhaps not without fighting, which may be going on now.

Tribune's correspondence states, when the rebels fell back, yesterday, in their retreat, it is asserted by our men recently escaped, that the rebels divided, part of the force taking the road to Stonardsville, and the other portion taking the other side of the mountain towards Gordonsville.

The following is the first correct copy of the official list of the wounded in the late battle, as they arrived in Alexandria. Among them are Amos W. Ruttledge, 3d Wis., L. T. Whitcomb, do.

The Fredericksburg correspondent of the Tribune states that an expedition from Burnside's division, on Wednesday last, made a descent on the Va. C. R. R. at Frederick's Hall station, took up 80 lengths of rail, cut the telegraph, burning the wire and poles, and blew up the road bed with powder. A large lot of new T rails, which were piled at one side of the track, were made into a barricade across the road bed, and watched and burned by kindling large fires under and about them. Companies G, Capt. Gwinter, H, Capt. McIrwin, and E, Lt. Loudon, commanding, went down to the station and destroyed the water tanks, telegraph wire and 5000 bushels of grain, and a large lot of whiskey and other army stores which were awaiting transportation to the enemy at Gordonsville. This force was in command of the brave and dashing Lt. Col. Kilpatrick, who commanded in the recent brilliant raid to Beaver Dam.

Adjt. Benjamin Gregory, with a party, was sent down to near Bump's turnout to blow up the track and switch, which was accomplished in the most thorough and satisfactory manner. At this point the water tanks and depot were burned, the track was destroyed, and a small culvert was blown up with powder. A little further on, the track was barricaded with new T rails, rendered useless by burning, as were those above Fredericks' Hall. Hearing that the cars were expected up with troops from Richmond, the expedition commenced its return march. The large bridge over the Pamunky was burnt to prevent the enemy from following up.

WHEELING, Aug. 12.

The greatest meeting of the war in western Virginnia, was held in the spacious freight depot of the Baltimore and Ohio R. R. in this city to-night. The building, which is estimated to hold comfortably, 50,000 persons, was filled to suffocation, and crowds thronged the streets. Gov. Pierpont presided over the vast concourse, and in eloquent terms introduced Hon. John Sherman, Hon. John A. Bingham of Ohio, and Hon. W. T. Willey, senator from this state. Among distinguished strangers present, was Gen. Kelley.

The large depot was brilliantly illuminated and hung with flags and mottoes. One most prominent of which was "No Valandighamism, No Carlisleism, but union and liberty forever." Another was "Once all means to conciliate, now all mens to crush." One of the resolutions denounced John S. Carlisle as a traitor to his constituents and called upon him to resighn his position in the senate which he had disgraced. The war spirit in Western Virginia is fully aroused, and her quota is already made up. Gen. Kelly was called out by acclamation, and made a few eloquent and effective remarks. At the close of the meeting Gen. Kelly was unanimously requested to change the name of Camp Carlisle to Camp Willey.

AFTERNOON DISPATCHES.

CULPEPPER C. H. VA., Aug. 12.

The flight of Stonewall Jackson shows that he fears our troops. On Saturday he engaged with his whole force, numbering at least 30,000 men, a portion of the troops of Gen. Banks, who behaved most nobly, holding the enemy in check until the arrival of Gen. McDowell's and Sigel's divisions, late in the day, driving the enemy from several positions, and finally from the field of battle. Jackson's army remained idle next day, the troops on both sides being exhausted.

On Monday Jackson sent in a flag of truce asking to bury his dead, a large proportion of which still lie on the field, pending which he escaped with his trains. This morning Jackson's whole army was gone. Gen. Buford, with his cavalry and artillery, started in pursuit towards Gordonsville, compelling Jackson to burn bridges to save himself. Jackson obviously did not intend to stop running until he reaches the rebel fortifications at Richmond.

NEW YORK, August 13.

Flour quiet and unchanged. Wheat active, and fully 1c higher.

BOSTON, Aug. 13.

The instructions of Gov. Andrews to the city and town assessors throughont the state of Massachusetts are to make it their duty to incinde the colored citizens as well as the white ones in the rolls as subject to draft.

WASHINGTON, Aug. 13.

To-day Secretary Seward recommended to his department that they furnish as many soldiers for the war as there are persons therein fit for duty below the age of 45. Of the entire number, fifteen are capable. The clerks promptly responded.

MEMPHIS, Aug. 10.

The Bulletin of this morning has advices from reliable sources which represent that Gen. Breckinridge attacked Baton Rouge Tuesday last, and was repulsed, losing, among the killed, Gen. Clark, of Mississippi, and Col. Hunt, of Kentucky. Breckinridge attributes his defeat to non-arrival of ram Arkansas, and make a simultaneous attack on the federal fleet with his land attack. The Arkansas arrived in the evening and immediately assailed our fleet, destroyed two vessels, severely damaged two others, and drove the balance away. Breckinridge renewed the attack from the land side, and is said to have captured the entire federal force at Baton Rouge.

It is also stated that a large portion of Van Dorn's command is co-operating with Breckinridge for an immediate attack on New Orleans. It is currently reported and credited at Helena that the rebels have completed the alterations to the Star of the West, which was up Yazoo river, to a ram boat, and that she is now at Vicksburg. She is called the Richmond, is clad with railroad iron, and mounts 22 guns. One of the ocean tugs up the same river is also completed, and came out at the same time.

The New Orleans Bulletin of the 30th announces the arrival of the flag ship Hartford and frigates Richmond and Brooklyn from Vicksburg.

IMPORTANT ANNOUNCEMENT.

Drafting Postponed till the First of September.

ALBANY, August 12.

The Evening Journal has the following in relation to the draft:

"The war department, in answer to an inquiry from the Governor, telegraphs that the department will receive volunteers for old regiments till the draft is made. The draft cannot be made before the first of September, as the preliminary work, the new enrollment, the decision upon applications for exemption, &c., will occupy at least twenty days. We are, therefore, authorized unofficially that volunteers by companies will be received for old regiments until the first of September. The order to this effect will probably be issued to-morrow. The communication from the war department embodying this permission says it is designed to receive volunteers to fill up the old regiments, and any excess after they are filled will be credited to the state as so much on the draft, and if enough volunteer to fill up the old regiments, that might perhaps dispense with the draft. To fill up the old regiments to their full maximum number will require at least 54,000. If this number should volunteer in the state before the draft is made, there would be no draft. If enlistments should continue for thirty days as they have for the last ten, this could be done; but it can be done in many localities in the twenty days, which will intervene before the draft is made. If it is, those localities will escape the draft. Under this arrangement our young men will be stimulated to prosecute the work of recruiting. Any three men who can raise a company can receive commissions if they are competent to fill the positions they assume; and those localities which desire to escape the odium of a draft, have only to voluntarily fill up this quota of the 600,000 men called for before the first of September to accomplish what they desire.

REMARKABLE.—Two rather singular cases of remarkable escape from living burial are related as having occurred subsequent to the battle of Fair Oaks. The body of a colonel was found on the field and brought in. Arrangements were made for embalming it. The process includes the use of galvanism. The shock was given. To the astonishment of all, the colonel rose and walked forth. The other case was that of a colonel who was found on the field. In deference to his rank he was brought to the hospital and laid among the dead. His friends prepared to give him a decent burial, and were about to carry the body out, when the colonel rolled over, and in tones more like those of a man drunk than dead, called out—"Ben, John, where is my whisky flask?"

A German Company.

One of the best movements connected with the present recruiting is the formation of a German company for the regiment to be attached to Gen. Sigel's division. Mr. Roethinger, who has a commission to recruit for this company, is an active, well-known and intelligent German, and will make a first rate officer.

THE EXCURSION FROM CHICAGO.—The Journal has the following notice of the contemplated excursion from Chicago to this city: Remember the excursion to Janesville, Wisconsin, on Thursday, August 14th. Without doubt this will be the best excursion that has left Chicago. The excursionists will command a beautiful view of the city of Janesville and Rock river, in passing to the grove, and if a sufficient number desire it, the cars will be run to the Wisconsin Asylum for the Blind. The citizens of Janesville have made arrangements to be out to receive us *en masse*. Dr. Eddy and others will address a mass war meeting there.

Train leaves the Northwestern depot Thursday morning at 8 o'clock.

Tickets can be had at the cars—adults $1, children 60 cents.

NOTICE.—There will be a special meeting of the board of trustees of the fire department, to-morrow (Thursday) evening, Aug. 14th, at the hall of Water Witch engine company No. 2, at 8 o'clock. Let every member of the board attend, as there is some important business to be transacted.

By order.

JOHN H. SAUNDERS, Sec'y.

ANOTHER BOLD ATTEMPT.—The house of Capt. McKinney was entered last night, by removing the casing of a basement window and taking out the window. Fortunately the scoundrels were discovered by an inmate of the house before they had stolen anything, and unfortunately they escaped. The operations of last spring seem to have been renewed, and our citizens should act accordingly.

PEAK FAMILY.—This justly celebrated Troupe's entertainment was (notwithstanding the immense war excitement) attended by a large and appreciative audience. They give another entertainment this evening at Lappin's Hall which will positively be their last night in this place at present. Do not fail to go and take your little ones to hear Mast. Frank. He is the most eccentric little fellow that ever appeared before the public and in fact the whole entertainment is as fine as we have listened to in a long time.

PROF. HAMBUJER.—This renowned magician gives one of his exhibitions at Lappin's Hall to-morrow evening. A portion of the proceeds will be donated to the Ladies' Aid Society, for the benefit of the families of volunteers. The wonderful Indian basket feat of killing a boy and restoring him to life, and many other extraordinary feats will be performed.

WASHINGTON ENGINE CO. NO. 3.—The active members of this company are requested to meet at the engine house on Thursday evening, Aug. 14th at 8 o'clock.

JOHN T. WILCOX,
Foreman.

☞ There will be a special meeting this evening at Hook and Ladder Co.'s house. Let every member be present. By order of Foreman. B. BORNHEIM, Sec'y.

FIRST ARKANSAS CAVALRY.—By a letter from Dr. Pease, of this city, Surgeon of 2d Wisconsin Cavalry, we learn that several members of that regiment have been appointed to command a regiment of cavalry raised in Arkansas. He says:—Mr. F. Strong formerly of Janesville, is a lieutenant, and by appointment, Adjutant of the 2d Battalion of the 1st Arkansas Cavalry. He has been a faithful and industrious Hospital Steward, and will make a good officer, and a capital Adjutant. Col. Harrison and Lt. Col. Bishop is from La Crosse and was formerly Captain in the 2d Wisconsin Cavalry under Gen. C. C. Washburn. Both of these officers are good, temperate men. This regiment will be one of the finest in the service. They remain for a few weeks at Springfield and then go to Fayettville, Ark., as their field of operations is in that state.

DEATH OF REV. G. W. DUNMORE.—We learn from the Chicago Tribune of the death of Rev. G. W. Dunmore, chaplain of the 1st Wisconsin Cavalry regiment. He was with the one hundred that were surrounded by 600 Texans near Helena, in Arkansas. It is said that he "fell heroically fighting."

Rev. Mr. Dunmore was a brother of Mrs. Deacon Potter, of this city. At the time of the breaking out of the rebellion he was a missionary in Turkey, in Asia, under the patronage of the A. B. C. F. M., in whose service he had been ten years. On learning of his country's troubles and dangers, he hastened home and entered its service. He certainly fell in a good cause.

TAKEN PRISONERS.—Six of Capt. Ely's company, from this city, were taken prisoners near Fredericksburg, on the 6th inst.—Their names are Andrew Douglass, Herman J. Langhoff, Hugh Murray, George Batcheldor, Chas. W. Atherton and John J. Little. A letter from Capt. Ely, giving an account of the affair, will be published to-morrow.

If a pair of spectacles were to address their wearer, the name of what ecclesiast would they quote? Eu-se-bi-us.

Excursion Postponed.

The excursion from Chicago and the war meeting, advertised for to-morrow, is postponed until Friday, the 15th, at which time arrangements are being made for a *Grand Mass Meeting for Rock County.* The committee suggest that our citizens throughout the county unite in a *basket pic nic* with our Chicago friends, and listen to the fine orators who are engaged for the occasion.

The train from Chicago arrives at a quarter before 12, and in order that we may be on the ground at that hour to receive them, a procession will be formed in front of the Myers House, at a quarter before 11, and march to the grove of J. B. Crosby with martial music, under the direction of Jas. Sutherland, esq., marshal of the day. The excursionists will be escorted by our citizens from the railroad to the grove, where the reception speech will be delivered by Rev. R. Curtis.

The following persons have been appointed officers of the day: O. J. Dearborn, president; S. A. Hudson, S. C. Burnham, Edward McKey, F. S. Eldred, vice presidents; Jas. Sutherland, marshal.

The exercises will be interspersed with music by the Janesville Glee Club and by the band. Speaking will commence at 1½ o'clock.

Patriots of Rock county! Let there be on this occasion one grand rally for the Union.

☞ Recruiting officers will be on the ground ready to enroll all who wish to enlist for the war.

By order of Committee.

A. M. CASE, Secretary.

A meeting of the citizens of Clinton was held at Hammond's Hall for the purpose of assisting in raising a war fund and to solicit subscriptions to the same.

The meeting was called to order.. D. G Cheever was appointed chairman, and W. A. Wells secretary.

J. M. Burgess then addressed the meeting, briefly stating the object, and offering the following resolution:

A motion was then made and seconded that we adopt the resolution as just read. Motion prevailed.

A motion was then made that the chair appoint a committee of three to solicit subscriptions to the war fund. The motion was carried. The chair then appointed H. W. Carpenter, H. Pierce and C. Turner as said committee.

A motion was then made and seconded that a vigilance committee of five be appointed to look after disloyal persons that may be found in our midst. A motion was made and seconded that the chair appoint said committee. Motion prevailed. The chair then appointed H. S. Wooster, L. D. Salisbury, D. B. Colyer, W. A. Wells and C. C. CLINTON, August 11, 1862.

WAR MEETING IN UNION.—A very large war meeting was held at the M. E. church at Evansville, in the town of Union, last evening. The church was *filled to overflowing.* A committee of three was appointed on resolutions, and during their deliberations, D. L. Mills was called out and briefly stated the object of the meeting, and what the cities and other towns in the county were doing. The committee reported by resolution, (in substance) that the town of Union will do her share in carrying out the resolutions of the county board of supervisors. The resolution was unanimously adopted on a division of the house.

A committee was appointed to obtain subscriptions for $1500 of the county scrip and report to the county board on the 15th inst. The secretary then circulated a subscription in the meeting and obtained nearly $500 for county scrip, on the spot.

Union is alive to the work, and may be relied on for her share of the means and money.

THE QUOTA IN ILLINOIS.—The Adjutant General of Illinois gives notice that the counties and towns in that state will be credited with the number of men enlisted for the army, and that where a county or town has filled its quota, it will be exempted from the draft. In this connection, it has occurred to us what locality in Illinois will be credited with the hundreds drawn from Wisconsin under the influence of the high bounties offered in Chicago.

ENLISTMENTS.—Capt. Miles is meeting with very good success enlisting a company in this city. He has now 86 names on his roll, an increase of 19 since yesterday.

WATER WITCH ENGINE CO. NO. 2.—The active members of this company are requested to meet at their hall on Thursday evening, Aug. 14, at 8 o'clock.

By order of the Foreman,

To the People of Rock County.

The undersigned were appointed a committee, at the meeting in the city of Janesville, last evening, to make a calculation of the number of men required for the army from each city and town in the county, under the apportionment of Rock county. This apportionment is 577 men, and assuming the last census of the county as a basis for calculation, we find the following as the quota belonging to the cities of Janesville and Beloit, and the several towns in the county:

Avon,	15	Lima,	19
Bradford,	20	La Prairie,	14
Beliot, town,	12	Magnolia,	19
Beloit, city	65	Milton,	29
Clinton,	25	Newark,	18
Center,	18	Plymouth,	20
Fulton.	30	Porter,	20
Harmony,	18	Rock,	18
Johnstown,	23	Spring Valley,	20
Janesville, town,	14	Turtle,	23
Janesville, city,	121	Union,	26

The committee have no means of ascertaining the relative number of enlistments heretofore, or in what proportion those now enrolled have been furnished by the cities and towns of the county, but in the short time allowed to fill the quota assigned to the county, this calculation will give the best if not the only basis for the IMMEDIATE ACTION required to meet the call on the county without resorting to a draft.

A committee of citizens of Dane county, who were in immediate communication with Governor Salomon, state, in the discharge of a duty similar to that devolved upon us, that the "Governor has signified his intention to *draft by towns*; and any town which shall send its full quota by the 15th inst., *will be exempt from the draft.*" It will thus be seen that every town will have the benefit of the enlistment of its own citizens and reap the advantages of its own efforts. This offers a great incentive to local exertions.

The reports made at the meeting last evening, referred to, demonstrate beyond any question that a sufficient sum of money will be subscribed to the county bounty fund, if it has not already been done, to pay $60 bounty to each volunteer, even if the whole number, 577, is procured. Over $29,000 was then reported subscribed, while several towns were only partially reported, and others, which will take their proportion of the fund, were not reported at all.

The payment of the bounty, therefore, is a certain thing. And to this inducement is added the other advantages and benefits of the volunteer over the drafting system. It is understood by an order from the Secretary of War that volunteers will be received in place of the last order of 300,000 drafted men. These volunteers enlist for three years, or for the war, and receive all the bounties attaching to the volunteer system.

It was resolved at the meeting last evening to request subscribers to this fund to pay their subscriptions as soon as Saturday next, or as soon thereafter as possible. The County Board of Supervisors will hold a special meeting next Friday, 15th inst., to perfect the details necessary for the payment of the bounty, and the county treasurer stated that he would have the scrip ready for delivery the succeeding day, Saturday. It is hoped that as much *promptness* will characterise the payment of the subscriptions as cheerfulness and liberality has been exhibited in making them.

CHAS. HOLT,
S. L. JAMES,
W. A LAWRENCE,
Committee.

JANESVILLE, Aug. 13.

P. S. In answer to an inquiry by telegraph to day, the Adjutant General of this State says that enlistments in the old regiments will not be credited in the quota of 577 men required in this county. Struck by Lightning—Narrow Escape.

A severe thunder storm passed over our village on Monday afternoon, during which the lightning played some fantastic tricks. Soon after the storm came up, the lightning struck the chimney of the brick blacksmith's shop, belonging to George Leach, tearing the chimney top to pieces and passing down through the shop, entering the ground between the two anvils. A Mr.—— was at work in the shop at the time, and was standing within a few feet of the spot where the bolt entered the ground, but fortunately was not injured. A wagon in the street, containing some half a dozen persons, was passing the shop at the instant—all of whom were considerably shocked, but none of them injured. A bag of grain in the wagon was scorched brown.

Another.—A few minutes later, the house of Mr. Haynes, in the south-east part of town, near the depot, was visited by another messenger from the storm king. The lightning entered the upper part of the house, passed down through into the front parlor, and made a general survey of the room by running entirely around it on the bordering of the paper, next to the ceiling. It then made its way out through the hall, tearing off the plastering and splitting things generally. A little child, two years old, son of Charles H. Sanborn, Esq., of the Walworth County Bank, was in the hall at the time alone, standing against the very wall on which the fluid passed in its unceremonious exit from the house, but singularly enough was unhurt.

Later and Louder.—On the evening of the same day, another and still more violent storm visited our village. The thunder and lightning were terrific. But this time the celestial battery was directed to the public house of C. W. Phillips, known as the Delavan Exchange. One bolt took effect upon the western chimney of the building, shattering it to fragments. It then passed down the chimney, and, following the stove-pipe, passed down into the public parlor, on the first floor, and through the floor into the ground, leaving huge furrows in the earth on the outside of the building. In its rage it spattered the dirt and mud all over that end of the building, as high as the cornice. Two gentlemen were sitting in the upper room through which the fluid passed, near the stove, and, strange to say, were not injured. So many persons were in the house that it seems almost a miracle that they all escaped unhurt.

The lightning seemed intent only upon letting us know what it might do.—*Delavan Patriot, Saturday, Aug. 9th.*

A German Company.

One of the best movements connected with the present recruiting is the formation of a German company for the regiment to be attached to Gen. Sigel's division. Mr. Roethinger, who has a commission to recruit for this company, is an active, well-known and intelligent German, and will make a first rate officer.

THE EXCURSION FROM CHICAGO.—The Journal has the following notice of the contemplated excursion from Chicago to this city: Remember the excursion to Janesville, Wisconsin, on Thursday, August 14th. Without doubt this will be the best excursion that has left Chicago. The excursionists will command a beautiful view of the city of Janesville and Rock river, in passing to the grove, and if a sufficient number desire it, the cars will be run to the Wisconsin Asylum for the Blind. The citizens of Janesville have made arrangements to be out to receive us *en masse*. Dr. Eddy and others will address a mass war meeting there.

Train leaves the Northwestern depot Thursday morning at 8 o'clock.

Tickets can be had at the cars—adults $1, children 60 cents.

NOTICE.—There will be a special meeting of the board of trustees of the fire department, to-morrow (Thursday) evening, Aug. 14th, at the hall of Water Witch engine company No. 2, at 8 o'clock. Let every member of the board attend, as there is some important business to be transacted.

By order.

JOHN H. SAUNDERS, Sec'y.

ANOTHER BOLD ATTEMPT.—The house of Capt. McKinney was entered last night, by removing the casing of a basement window and taking out the window. Fortunately the scoundrels were discovered by an inmate of the house before they had stolen anything, and unfortunately they escaped. The operations of last spring seem to have been renewed, and our citizens should act accordingly.

PEAK FAMILY.—This justly celebrated Troupe's entertainment was (notwithstanding the immense war excitement) attended by a large and appreciative audience. They give another entertainment this evening at Lappin's Hall which will positively be their last night in this place at present. Do not fail to go and take your little ones to hear Mast. Frank. He is the most eccentric little fellow that ever appeared before the public and in fact the whole entertainment is as fine as we have listened to in a long time.

PROF. HAMBEGER.—This renowned magician gives one of his exhibitions at Lappin's Hall to-morrow evening. A portion of the proceeds will be donated to the Ladies' Aid Society, for the benefit of the families of volunteers. The wonderful India basket feat of killing a boy and restoring him to life, and many other extraordinary feats will be performed.

WASHINGTON ENGINE CO. NO. 3.—The active members of this company are requested to meet at the engine house on Thursday evening, Aug. 14th at 8 o'clock.

JOHN T. WILCOX,
Foreman.

☞ There will be a special meeting this evening at Hook and Ladder Co.'s house. Let every member be present. By order of Foreman. B. BORNHEIM, Sec'y.

FIRST ARKANSAS CAVALRY.—By a letter from Dr. Pease, of this city, Surgeon of 2d Wisconsin Cavalry, we learn that several members of that regiment have been appointed to command a regiment of cavalry raised in Arkansas. He says:—Mr. F. Strong formerly of Janesville, is a lieutenant, and by appointment, Adjutant of the 2d Battalion of the 1st Arkansas Cavalry. He has been a faithful and industrious Hospital Steward, and will make a good officer, and a capital Adjutant. Col. Harrison and Lt. Col. Bishop is from La Crosse and was formerly Captain in the 2d Wisconsin Cavalry under Gen. C. C. Washburn. Both of these officers are good, temperate men. This regiment will be one of the finest in the service. They remain for a few weeks at Springfield and then go to Fayettville, Ark., as their field of operations is in that state.

DEATH OF REV. G. W. DUNMORE.—We learn from the Chicago Tribune of the death of Rev. G. W. Dunmore, chaplain of the 1st Wisconsin Cavalry regiment. He was with the one hundred that were surrounded by 600 Texans near Helena, in Arkansas. It is said that he "fell heroically fighting."

Rev. Mr. Dunmore was a brother of Mrs. Deacon Potter, of this city. At the time of the breaking out of the rebellion he was a missionary in Turkey, in Asia, under the patronage of the A. B. C. F. M., in whose service he had been ten years. On learning of his country's troubles and dangers, he hastened home and entered its service. He certainly fell in a good cause.

TAKEN PRISONERS.—Six of Capt. Ely's company, from this city, were taken prisoners near Fredericksburg, on the 6th inst.—Their names are Andrew Douglass, Herman J. Langhoff, Hugh Murray, George Batcheldor, Chas. W. Atherton and John J. Little. A letter from Capt. Ely, giving an account of the affair, will be published to-morrow.

If a pair of spectacles were to address their wearer, the name of what ecclesiast would they quote? Eu-se-bi-us.

Excursion Postponed.

The excursion from Chicago and the war meeting, advertised for to-morrow, is postponed until Friday, the 15th, at which time arrangements are being made for a *Grand Mass Meeting for Rock County.* The committee suggest that our citizens throughout the county unite in a *basket pic nic* with our Chicago friends, and listen to the fine orators who are engaged for the occasion.

The train from Chicago arrives at a quarter before 12, and in order that we may be on the ground at that hour to receive them, a procession will be formed in front of the Myers House, at a quarter before 11, and march to the grove of J. B. Crosby with martial music, under the direction of Jas. Sutherland, esq., marshal of the day. The excursionists will be escorted by our citizens from the railroad to the grove, where the reception speech will be delivered by Rev. R. Curtis.

The following persons have been appointed officers of the day: O. J. Dearborn, president; S. A. Hudson, S. C. Burnham, Edward McKey, F. S. Eldred, vice presidents; Jas. Sutherland, marshal.

The exercises will be interspersed with music by the Janesville Glee Club and by the band. Speaking will commence at 1½ o'clock.

Patriots of Rock county! Let there be on this occasion one grand rally for the Union.

☞ Recruiting officers will be on the ground ready to enroll all who wish to enlist for the war.

By order of Committee.

J. M. BURGESS, Prest.

A. M. CASE, Secretary.

War Meeting in Harmony.

At a meeting held at the Harmony School House on Monday evening August 11th, 1862, called by one of the county committee, for the purchase of county scrip, S. P. Hoskins, Esq., was called to the chair when Hamilton Richardson, Esq., of Janesville stated the object of the meeting to be, to dispose of about $1500 county scrip to aid in the county fund for volunteers.

On motion of Wm. Knowles the chair appointed Wm. Knowles, E. Greer and J. Hill a committee to solicit subscriptions from the meeting, which committee reported six hundred and sixty dollars subscribed.

On motion of Lucius Bingham, Esq., the chair appointed as a committee to canvass those parts of the town not represented, L. Bingham, J. E. Young, S. P. Hoskins, Geo. Wilbur and E. Green to report through the secretary to the county meeting at Janesville on Tuesday evening.

E. W. STEVENS, Secretry.

P. S. The canvassing committee have raised the subscription as far as heard from to $2130.

E. W. STEVENS, Secretary.

Meeting at Clinton.

A meeting of the citizens of Clinton was held at Hammond's Hall for the purpose of assisting in raising a war fund and to solicit subscriptions to the same.

The meeting was called to order.. D. G Cheever was appointed chairman, and W. A. Wells secretary.

J. M. Burgess then addressed the meeting, briefly stating the object, and offering the following resolution:

A motion was then made and seconded that we adopt the resolution as just read. Motion prevailed.

A motion was then made that the chair appoint a committee of three to solicit subscriptions to the war fund. The motion was carried. The chair then appointed H. W. Carpenter, H. Pierce and C. Turner as said committee.

A motion was then made and seconded that a vigilance committee of five be appointed to look after disloyal persons that may be found in our midst. A motion was made and seconded that the chair appoint said committee. Motion prevailed. The chair then appointed H. S. Wooster, L. D. Salisbury, D. B. Colyer, W. A. Wells and C. C. Warner as said committee.

Motion made and seconded to adjourn until next Thursday evening. Motion prevailed.

CLINTON, August 11, 1862.

WAR MEETING IN UNION.—A very large war meeting was held at the M. E. church at Evansville, in the town of Union, last evening. The church was *filled to overflowing.* A committee of three was appointed on resolutions, and during their deliberations, D. L. Mills was called out and briefly stated the object of the meeting, and what the cities and other towns in the county were doing. The committee reported by resolution, (in substance) that the town of Union will do her share in carrying out the resolutions of the county board of supervisors. The resolution was unanimously adopted on a division of the house.

A committee was appointed to obtain subscriptions for $1500 of the county scrip and report to the county board on the 15th inst. The secretary then circulated a subscription in the meeting and obtained nearly $500 for county scrip, on the spot.

Union is alive to the work, and may be relied on for her share of the means and money.

THE QUOTA IN ILLINOIS.—The Adjutant General of Illinois gives notice that the counties and towns in that state will be credited with the number of men enlisted for the army, and that where a county or town has filled its quota, it will be exempted from the draft. In this connection, it has occurred to us what locality in Illinois will be credited with the hundreds drawn from Wisconsin under the influence of the high bounties offered in Chicago.

ENLISTMENTS.—Capt. Miles is meeting with very good success enlisting a company in this city. He has now 86 names on his roll, an increase of 19 since yesterday.

WATER WITCH ENGINE CO. NO. 2.—The active members of this company are requested to meet at their hall on Thursday evening, Aug. 14, at 8 o'clock.

By order of the Foreman,

R. W. ROTHROCK, Sec'y.

To the People of Rock County.

The undersigned were appointed a committee, at the meeting in the city of Janesville, last evening, to make a calculation of the number of men required for the army from each city and town in the county, under the apportionment of Rock county. This apportionment is 577 men, and assuming the last census of the county as a basis for calculation, we find the following as the quota belonging to the cities of Janesville and Beloit, and the several towns in the county:

Avon,	15	Lima,	19
Bradford,	20	La Prairie,	14
Beliot, town,	12	Magnolia,	19
Beloit, city	65	Milton,	29
Clinton,	25	Newark,	18
Center,	18	Plymouth,	20
Fulton.	30	Porter,	20
Harmony,	18	Rock,	18
Johnstown,	23	Spring Valley,	20
Janesville, town,	14	Turtle,	23
Janesville, city,	121	Union,	26

The committee have no means of ascertaining the relative number of enlistments heretofore, or in what proportion those now enrolled have been furnished by the cities and towns of the county, but in the short time alllowed to fill the quota assigned to the county, this calculation will give the best if not the only basis for the IMMEDIATE ACTION required to meet the call on the county without resorting to a draft.

A committee of citizens of Dane county, who were in immediate communication with Governor Salomon, state, in the discharge of a duty similar to that devolved upon us, that the "Governor has signified his intention to *draft by towns;* and any town which shall send its full quota by the 15th inst., *will be exempt from the draft.*" It will thus be seen that every town will have the benefit of the enlistment of its own citizens and reap the advantages of its own efforts. This offers a great incentive to local exertions.

The reports made at the meeting last evening, referred to, demonstrate beyond any question that a sufficient sum of money will be subscribed to the county bounty fund, if it has not already been done, to pay $60 bounty to each volunteer, even if the whole number, 577, is procured. Over $29,000 was then reported subscribed, while several towns were only partially reported, and others, which will take their proportion of the fund, were not reported at all.

The payment of the bounty, therefore, is a certain thing. And to this inducement is added the other advantages and benefits of the volunteer over the drafting system. It is understood by an order from the Secretary of War that volunteers will be received in place of the last order of 300,000 drafted men. These volunteers enlist for three years, or for the war, and receive all the bounties attaching to the volunteer system.

It was resolved at the meeting last evening to request subscribers to this fund to pay their subscriptions as soon as Saturday next, or as soon thereafter as possible. The County Board of Supervisors will hold a special meeting next Friday, 15th inst., to perfect the details necessary for the payment of the bounty, and the county treasurer stated that he would have the scrip ready for delivery the succeeding day, Saturday. It is hoped that as much *promptness* will characterise the payment of the subscriptions as cheerfulness and liberality has been exhibited in making them.

CHAS. HOLT,
S. L. JAMES,
W. A LAWRENCE,
Committee.

JANESVILLE, Aug. 13.

P. S. In answer to an inquiry by telegraph to-day, the Adjutant General of this State says that enlistments in the old regiments will not be credited in the quota of 577 men required in this county. The number needed to fill those regiments is about 3000, and the proportion of Rock county will be 139, which must be added to the quota of 577, and divided in the proportion above given.

Struck by Lightning—Narrow Escape.

A severe thunder storm passed over our village on Monday afternoon, during which the lightning played some fantastic tricks. Soon after the storm came up, the lightning struck the chimney of the brick blacksmith's shop, belonging to George Leach, tearing the chimney top to pieces and passing down through the shop, entering the ground between the two anvils. A Mr.—— was at work in the shop at the time, and was standing within a few feet of the spot where the bolt entered the ground, but fortunately was not injured. A wagon in the street, containing some half a dozen persons, was passing the shop at the instant—all of whom were considerably shocked, but none of them injured. A bag of grain in the wagon was scorched brown.

Another.—A few minutes later, the house of Mr. Haynes, in the south-east part of town, near the depot, was visited by another messenger from the storm king. The lightning entered the upper part of the house, passed down through into the front parlor, and made a general survey of the room by running entirely around it on the bordering of the paper, next to the ceiling. It then made its way out through the hall, tearing off the plastering and splitting things generally. A little child, two years old, son of Charles H. Sanborn, Esq., of the Walworth County Bank, was in the hall at the time alone, standing against the very wall on which the fluid passed in its uncermonious exit from the house, but singularly enough was unhurt.

Later and Louder.—On the evening of the same day, another and still more violent storm visited our village. The thunder and lightning were terrific. But this time the celestial battery was directed to the public house of C. W. Phillips, known as the Delavan Exchange. One bolt took effect upon the western chimney of the building, shattering it to fragments. It then passed down the chimney, and, following the stove-pipe, passed down into the public parlor, on the first floor, and through the floor into the ground, leaving huge furrows in the earth on the outside of the building. In its rage it spattered the dirt and mud all over that end of the building, as high as the cornice. Two gentlemen were sitting in the upper room through which the fluid passed, near the stove, and, strange to say, were not injured. So many persons were in the house that it seems almost a miracle that they all escaped unhurt.

The lightning seemed intent only upon letting us know what it might do.—*Delavan Patriot, Saturday, Aug. 9th.*

A Great National Work.

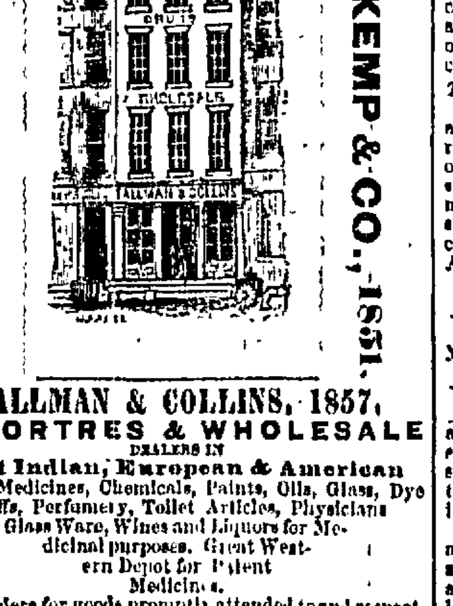

Something for Every Citizen, Every Fireside, Every Reader!
NO MAN, NO FAMILY, NO OFFICE SHOULD BE WITHOUT IT.
The only Correct and Complete
HISTORY OF THE WAR.
THE SOUTHERN REBELLION
and the
WAR FOR THE UNION:
A History of the
Rise and Progress of the Rebellion,
and
Consecutive Narrative of Events and Incidents, from the First Stages of the Treason Against the Republic down to the Close of the Conflict,
TOGETHER WITH IMPORTANT DOCUMENTS AND EXTRACTS FROM REMARKABLE SPEECHES.
In Weekly Parts, 32 pages, large 8vo, Price 10 Cents.

The want of an *authentic* and *thorough* History of the Rebellion, for present reference and future preservation, is the subject of general remark. No work of that nature has yet been offered to the public, and all who wish for information are compelled to grope through the mazes of the rumors, reports, dispatches, letters and editorials of the daily newspapers, to *precipitate*, from its confused columns, the great facts and incidents of the struggle for the Union.
To meet this want, and to produce a work of *permanent value as well as of present interest*, the publisher has arranged for the issue of the history as above set forth—in a form and at a price which shall render it *acceptable to all.*
This history will tell the STORY AS IT IS, giving a clear, consecutive narrative of the entire movement, including all the incidents and events in their exact order, and containing the important documents and extracts from remarkable speeches. It will not be a mere diary, nor a mere enumeration of dry and naked dates, nor a compilation of slips from newspapers, but will portray in connected and interesting narrative, the revolutionary *steps, as well as the measures of the government.*
It will carefully digest all evidence—will sift all rumors and reports—will fix upon *facts*, and correct as far as possible the errors and discrepancies incident to the hasty narratives of the newspapers.
It will be written in a style suited to its theme—at once graphic, earnest and luminous, introducing such personal and social incidents as may serve to show the relations of individuals and communities to the grand events of the time.
It is true, everybody reads the newspapers, but the reports of the newspapers are the fragmentary and contradictory children of the moment, and not a *correct, connected* and *complete* history. The above publication, afterwards bound in a handsome volume, will be a book for the family, which will be valued like the records of the War of Independence, or the Life of Washington, and worthy to be kept for children and grand-children, as a memorial of the present time.
It will thus prove desirable, available and satisfactory to every citizen, every family, every office, every library: and is given to the public in the full assurance that it will command the approbation of every patriot, every Union man, every good citizen in our still Glorious Land.

A Great National Work.

Something for Every Citizen, Every Fireside, Every Rader!

NO MAN, NO FAMILY, NO OFFICE SHOULD BE WITHOUT IT.

The only Correct and Complete

HISTORY OF THE WAR.

THE SOUTHERN REBELLION

and the

WAR FOR THE UNION:

A History of the

Rise and Progress of the Rebellion,

and

Consecutive Narrative of Events and Incidents, from the First Stages of the Treason Against the Republic down to the Close of the Conflict,

TOGETHER WITH IMPORTANT DOCUMENTS AND EXTRACTS FROM REMARKABLE SPEECHES.

In Weekly Parts, 32 pages, large 8vo, Price 10 Cents.

THE want of an *authentic* and *thorough* History of the Rebellion, for present reference and future preservation, is the subject of general remark. No work of that nature has yet been offered to the public, and all who wish for information are compelled to grope through the mazes of the rumors, reports, dispatches, letters and editorials of the daily newspapers, to *precipitate*, from its confused columns, the great facts and incidents of the struggle for the Union.

To meet this want, and to produce a work of *permanent value as well as of present interest*, the publisher has arranged for the issue of the history as above set forth—in a form and at a price which shall render it *acceptable to all*.

This history will tell the STORY AS IT IS, giving a clear, consecutive narrative of the entire movement, including all the incidents and events in their exact order, and containing the important documents and extracts from remarkable speeches. It will not be a mere diary, nor a mere enumeration of dry and naked dates, nor a compilation of slips from newspapers, but will portray in connected and interesting narrative, the revolutionary steps, as well as the measures of the government.

It will carefully digest all evidence—will sift all rumors and reports—will fix upon facts, and correct so far as possible the errors and discrepancies incident to the hasty narratives of the newspapers.

It will be written in a style suited to its theme—at once graphic, earnest and luminous, introducing such personal and social incidents as may serve to show the relations of individuals and communities to the grand events of the time.

It is true, everybody reads the newspapers, but the reports of the newspapers are the fragmentary and contradictory children of the moment, and not a *correct, connected* and *complete* history. The above publication, afterwards bound in a handsome volume, will be a book for the family, which will be valued like the records of the War of Independence, or the Life of Washington, and worthy to be kept for children and grand-children, as a memorial of the present time.

It will thus prove desirable, available and satisfactory to every citizen, every family, every office, every library: and is given to the public in the full assurance that it will command the approbation of every patriot, every Union man, every good citizen in our still Glorious Land.
